

Health Priorities – Child

FOR A FUTURE FULL OF POSSIBILITIES

Your child's happiness health and well-being is a priority. Health Priorities – Child ensures your child stays protected into adulthood for covered critical illnesses.

Ideal for you and your loved ones

The right choice if you want:

- Financial protection should your child suffer a serious illness
- Offer your child the foundation for a good financial plan
- Flexibility and freedom to use the benefit however you need with the ability to:
 - Take time off work to help your child recover

How it works

Health Priorities - Child pays a tax-free lump-sum if your child is diagnosed with a covered critical illness. 29 illnesses and conditions, including 3 childhood illnesses are covered.

In all likelihood, your child will remain healthy. After the 20-year premium payment period, if no claims are made:

- You can choose to receive a refund of the premiums you've paid—these funds can help pay for your child's education, provide the down payment for their first home, or even fund a business venture **or**
- You can transfer ownership of the policy to your child—they'll get paid-up, valuable lifelong coverage
